BSL Productions Inc. Re-Enters Touring Industry with HIM

BSL Productions, for the first time in a decade long hiatus from the touring industry, sends a theatre

BSL Productions provides Lighting Production, Rentals, Sales, Service and Installation services across the country.

BSL, founded in 1976 and headquartered in Halethorpe, MD, quickly established itself as a premiere lighting production company by providing concert tour lighting for Liza Minnelli, Gloria Estefan & The Miami Sound Machine, Frank Sinatra and 10,000 Maniacs. Recently, BSL has provided lighting production for The G8 Summit, Verizon, Mary Kay Cosmetics, Boeing and The 55th Inauguration of the President of the United States.
